14mm

Nut

$\boxed{j}$ x1

M8

Gasket

$\boxed{l}$ x1

M8
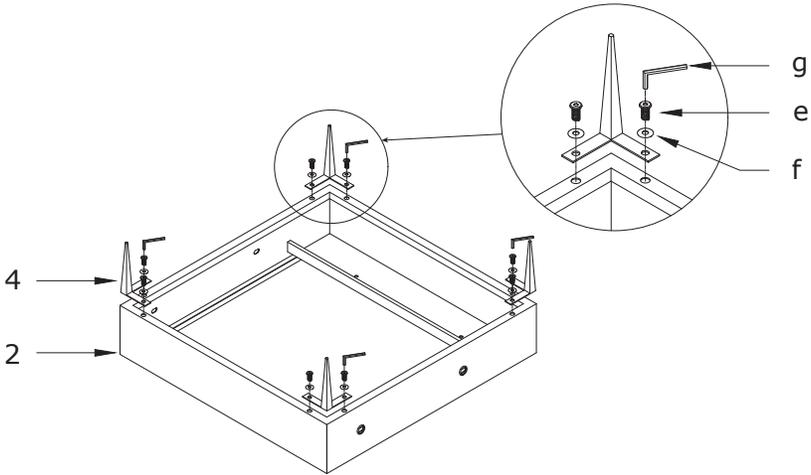

Note: Some connectors are used as a combination of modules, and some combinations will have remaining connectors, which is normal.
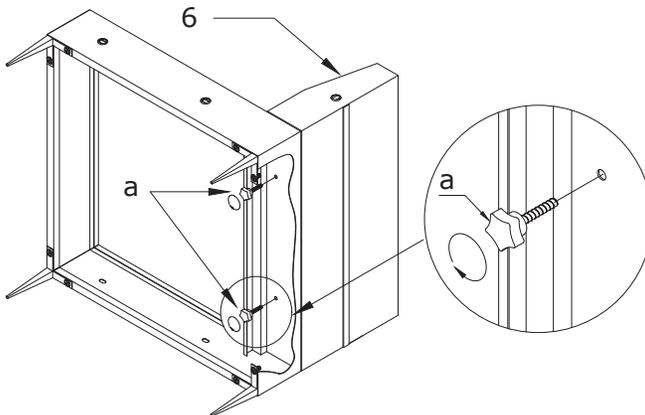

Module A

(step 1)

(step 2)

Note: First, use a screwdriver or other tool to pierce the connection hole upwards from the opening at the bottom of the bottom frame.
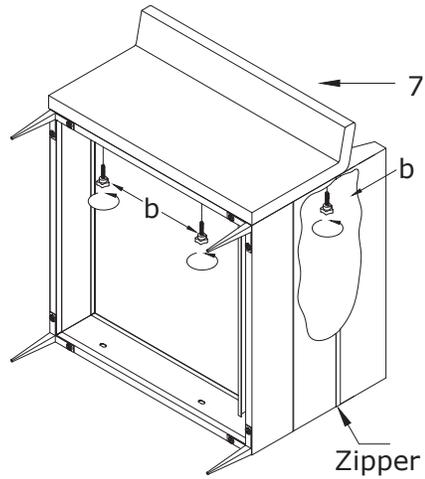

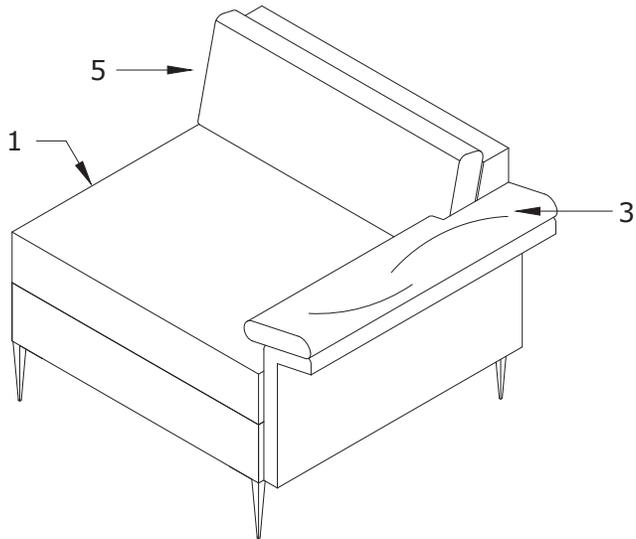

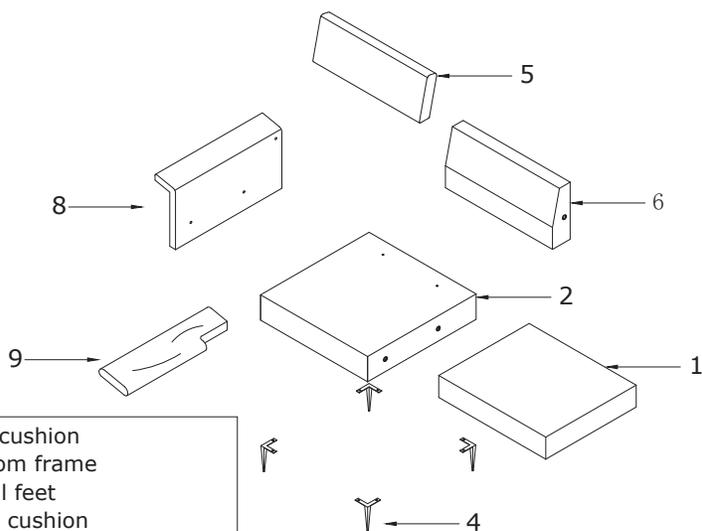

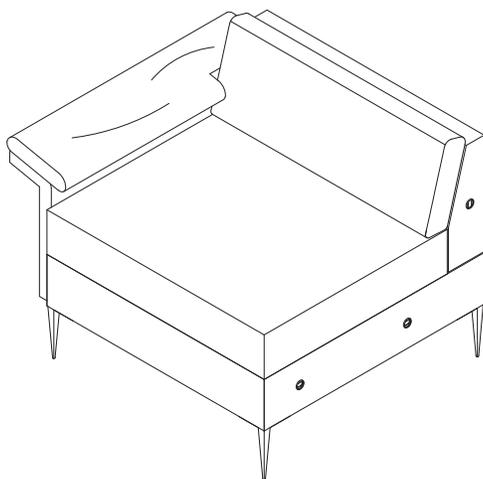

Module A

(step 3)

Note: First connect the backrest and armrest, but do not tighten, then connect the bottom frame and armrest, and finally tighten them in turn.
